

## USE YOUR SMARTPHONE IN ISRAEL SPECIAL DEAL ONLY FOR WOL RIDERS

**EVERY rider or volunteer MUST carry a cellphone with an Israeli number. This is how the Ride sends important security messages and other alerts. The Ride cannot send these to a non-Israeli number!**

**Thanks to a special relationship with Jerusalem First Class we have the easiest and least expensive way to use your cell phone during WHEELS OF LOVE with a SIM card with both phone and data capabilities!**

### **The very unique SIM Plan:**

- ✓ YOU own the SIM card and never have to change your Israeli number again
- ✓ **It's only \$4 a day For unlimited Calls in Israel, USA and Canada.**
- ✓ There are no rental fees or hidden costs, just a onetime \$35 activation fee
- ✓ Get all your emails and data in Israel at an unbelievably low cost

### **The Basic Plan:**

- Unlimited Calling to the USA, Canada and Israel (Land Line +Cell)
- Unlimited SMS within Israel only
- 1 GB Data that can be used for all texting apps
- All you do is dial 012-Country Code- Area Code-Number

### **Important info:**

- You must make sure that your phone is unlocked and suitable for use in Israel.
- Order your SIM card today by calling 011-972-2-624-2000 or email [office@jerusalem1stclass.com](mailto:office@jerusalem1stclass.com)
- You can add a US number to your phone so friends and family reach you via a local call
- You can add a SMS Abroad Package
- Your SIM card can be delivered to you in the US or Canada before you leave OR you can pick it up at registration at ALYN
- Voice mail is easy to use: Dial\*151 and press "send", and enter password 1111

**If you have questions or need help just call the ALYN office in New York at 212-869-8085 or email [cathy@alynus.org](mailto:cathy@alynus.org)**
